

Objective: Students will be able to correctly name shapes and develop art work.

Anchor Standard 1: Generate and conceptualize artistic work

Anchor Standard 2: Organize and develop artistic ideas and work.

K.G.A 2 Correctly name shapes regardless of their orientation or overall size.

Skills used:

Critical thinking, strategy,, communication

Materials

Art work

Mosaic tile

Glue

Steps

1. Observe the picture presented.
2. Ask the students to identify what they see.
3. Talks about the different shapes and their attributes.
4. Pick out shape.
 - Discuss the name of the shape.
 - How do you know it is what shape.
 - Discuss the number of sides/angles.
 - Discuss how multiple of different shapes made one large shape.

Discuss that mosaic tiles were used and the art technique that was used.

Assessment:

After shapes have all been identified and discussed. Work with the students and give the students tiles of the shapes discussed and have them create a picture of a larger shape of their choice. Ask questions about the shape they created.
